December 12th Draft Agenda.docx

Mike and Myla,

Attached is a redline mark-up of Circular DEQ-12B. Please note that the ideas contained in this document are intended to serve as a starting point for future discussion. We recognize that there may be many variations on these options that emerge through discussion between MDEQ, EPA and stakeholders.

I've also attached a draft agenda for our December 12<sup>th</sup> meeting. Please let us know if you have any suggested changes.

We hope you find this information helpful.
